## About Lexi:

Alexis "Lexi" Schultz unexpectedly passed away November 12, 2015, one-week shy of her 14th birthday, but the legacy of the girl who encouraged, stood up for and supported kids who were victims of bullying lives on and gains ground every day. Live Like Lexi was created in the honor of girl who was the first person to offer words of encouragement such as "let your mind think before your tongue moves," or act as a shoulder to lean on for those who were struggling.

With a mission of establishing and implementing a scholarship for students who embody Lexi's anti-bullying platform, Live Like Lexi looks to make its first award by 2020 – the same year Lexi herself was to graduate high school. Your donations help Lexi's organization further deliver her message to the masses while supporting other youths who help do the same. Together, we can #LiveLikeLexi.
